Friends of Bomere Heath School Autumn Update

The Friends of Bomere Heath School are a group of parents who organise fund-raising events and support school activities such as Sports Day for the benefit of all of the children at Bomere Heath School.

Proceeds from fund-raising events continue to contribute to school trips, much needed equipment including books and musical instruments, and provides an opportunity to support the learning of each class.

Help the Friends – volunteers needed

We have lots of events planned for the Spring and Summer terms and would welcome volunteers and supporters to help make these a success.

Please come along to our next meeting:

24th January 2019, 8pm at The Red Lion

Please feel free to contact any of the 'Friends' if you are able to support the planned events or have any great initiatives and ideas for fund-raising. Visit the school office for Mrs Winwood to pass on contact details or visit the **Friends of Bomere Heath School** Facebook page.

Thank you for your help and support.

We look forward to working together to raise much needed funds for all of our children.

Best Regards,

The Friends
