## Results 2019

### Key Stage 2

Pupils are assessed against the National Curriculum and results are reported as a scaled score from 80 - 120 and teacher assessments based on the standards in the new framework. A high (greater depth) score is 110 or above.

Our school results are shown below, together with the National Average in brackets.

Caution has to be given to data in percentages as we have relatively small cohorts; in our key stage two cohorts this year, each child counts for just over 5.5%.
