

Days of the week as people – By Joe

Monday:

I think Monday would be rude, selfish and a little bit annoying - the person you cannot avoid in the supermarket aisle or the shop assistant that chats to their colleagues instead of serving you.

Tuesday:

Tuesday would be your slightly boring friend, always wanting to show you their Match Attax collection. They would be the one sitting and drinking tea when everyone else is drinking cocktails.

Wednesday:

Wednesday would be the person who, when you first meet them, they can be a little irritating but when you get to know them, they are actually friendly and kind.

Thursday:

Thursday would be the person who tries to be cool but is actually a bit cringeworthy. They would bring strange snacks to a party like celery sticks. They would dance very oddly and you would see them trying to HI-5 every person they see.

Friday:

Friday is your best friend who is always ready for anything you feel like doing. They are always fun to be with and you always look forward to seeing them.

Saturday:

Saturday would always be a super busy person, trying to do too many things at once but you would never really be bored in their company and they are always entertaining.

Sunday:

Sunday is your favourite Grandma. They are always ready for a hug on the sofa or watching a movie. They cook the best food and let you do whatever you want.
