

English

We will be adopting a mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres. Including a mixture of fiction, non-fiction and poetry.

Maths

Mastery approach to maths;

Addition and Subtraction including column method.

Addition, subtraction, multiplication and division mental maths strategies.

Algorithms

Science -

Rocks and Fossils -Pupils explore the characteristics of rocks and learn their names. They carry out simple tests on different rocks and use chocolate to model how rocks are made. They explore the composition of soil and think about how soil is made. They learn about the formation of fossils and make their own model fossils. They look at pictures of dinosaur fossils and try to come to some conclusions about the living dinosaurs the fossils came from.

Computing—Online safety

Trips—Coastal resort trip after half term (Hopefully)

Mountains, Hills and Coasts

History/GeographyWe will be looking at the human and physical geography of hills, mountains and coasts. WE will be looking at local hills and the links to our school including the class names. The children will look at a local coastal area and compare to other coastal areas in the UK. use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world;. Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs.

Design Technology

We will be making bread using traditional methods including cooking on hot rocks.

Art

The children will be perfecting their range of drawing skills including producing detailed sketches.

PE

Coaching with Jonny Hughes, various sporting skills.—Monday

Mrs Roberts—Athletics, yoga , dance and meditation.

RE

Hinduism—What is a Mandir?

What is the Trinity? - Christian

MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

Music

We will be using a range of musical instruments both traditional and non-traditional to make sounds of the ocean, hills and mountains.
