

Notes from the Music room. (2) 24 September 2021

This week Grinshill, Stiperstones and Wrekin have been learning to read rhythm notation with Mrs. Roberson. Grinshill used the rhythms to play the notes that they have learnt on the recorder and showed their musical skills by recognising some of the rhythms from songs that they know. Stiperstones demonstrated that they could play their p-buzz instruments loud and quietly and made a lovely sound whilst Wrekin enjoyed playing different rhythms on the note F. Well done everyone!

Music Community Group continued to do very well, learning parts of Hedwigs Theme from Harry Potter and will be trying Star Wars next week as well as working to SpongeBob Square Pants and Hedwigs Theme. Well done Music Group, you are doing very well and more members are always welcome to join us next week.

Mrs. Kessel Fell is looking forward to hearing everyone's lovely singing voices on Tuesday and choir will be starting after school until 4.15pm.
