

## English

This term we will be looking at fiction and non-fiction texts, along with a poetry unit.

Our writing units include:

- My Name is Not Refugee by Kate Milner
- Poetry—From a Railway Carriage by Robert L. Stevenson
- Three Little Monkeys by Quentin Blake

In guided reading our texts will be:

- The Hare and the Tortoise

## Maths

Our Maths focuses this half term are:

- Number: Multiplication and Division. We are especially trying to learn all the facts for our 2, 5 and 10 times tables.
- Statistics
- Geometry: Properties of Shape
- Fractions

## Science

In Science we will continue with our observations of our environment and how this changes through the seasons. We will also be carrying out a Scientist study about Charles Darwin. We will be finding out why he is famous and significant in Shropshire through exploring plants and animals around the world.

PSHE—from the PSHE Association

- Healthy Lifestyles
- Growing and Changing
- Keeping Safe (medicines, household products, risk)
- Mental Health—good and not so good feelings
- Valuing Difference
- Healthy Relationships
- Money

## Computing

- Espresso Coding - Using buttons in creating code.
- Using instructions in Logo
- Understand what algorithms are, and that programs execute by following precise & unambiguous information.

### Trips and Visitors

Camping Day at school History & Geography link  
A visit from Sohayb (Craven Arms' Imam) R.E. link

Our Topic and Key Questions are..

## Holidays

## Geography

In the first half term, our key question is Where Shall we go on Holiday? We will compare Llandudno with part of Kenya through identifying human and physical features. We will also be developing our mapping skills.

## History

In the second half term, our key question will be What were Holidays like in the Past? We will continue our learning about chronological order to find out how holidays have changed over time as well as looking at artefacts from the past. We will find out about aspects of holidays including clothing, entertainment and transport. At the end of the half term we will find out about Grace Darling and the RNLI.

## Art

Printing

We will be exploring lots of different methods of printing including, fruit and vegetable, sponges, block printing and carbon mono-printing to design and create our own piece of seaside printed artwork.

## PE

- Miss Ryan's PE Lessons
  - Dance & Gymnastics
- Games:
  - Hockey & Cricket

## RE

- *Who is Muslim and how do they live?*
- *Why does Easter matter to Christians?*

We will:

- describe, explain and analyse religious and non-religious beliefs and practices, recognising the diversity which exists within and between individuals and communities;
- Articulate beliefs and values clearly in order to explain the reasons why they may be important in their own and other people's lives.
- Identify and investigate the questions posed and the responses offered by the world's religions and non-religious worldviews;
- appreciate the impact of faith, beliefs and values on

MFL— French: PPA cover

- Listen actively to spoken language and show understanding by joining in and responding.
- Explore patterns and sounds through songs and games.

Music—Mrs Kessel-Fell

- Use their voices expressively and creatively by singing songs and speaking chants and rhymes .
- Play tuned and untuned instruments musically .
- Experiment with, create, select and combine sounds using the inter-related dimensions of music.

## Design Technology

Mechanisms— Wheels & Axles.

We will be looking at bathing machines in History and then using the book Queen Victoria's Bathing Machine, we will design and make a new bathing machine for Queen Victoria.
