Mrs Roberts—Fridays—Tennis and Cricket

**Trips**

The Widget company will be visiting us in school to take us on a virtual tour of Egypt.

**RE**

Christianity— When Jesus left, what was the impact of Pentecost?  
Judaism—What do Jews believe?

**Maths**

Mastery approach to maths with White Rose.

- Fractions*
- Time*
- Properties of Shape*
- Mass and Capacity*

**MFL French**

Listen actively to spoken language and show understanding by joining in and responding.  
Explore patterns and sounds through songs and games.

**Science**

**Plants**—Pupils carry out a long-term investigation of the factors that affect the growth of plants, observing and measuring their plants for the course of the unit. They learn about the main functions of the different parts of a plant and will study the life cycle of a flowering plant, including studying the structure of a flower and the different methods of seed dispersal.

**Light**—Pupils learn to distinguish a light source from reflected light. They learn that light travels in straight lines, study how we see and are taught how to protect their eyes. They investigate the transparency of fabrics using data loggers and carry out some experiments to find out about shadow formation

**History/Geography**

To discover the achievements of the earliest civilisations—an in depth study of the Ancient Egyptians; food, buildings, society, religion, links to Romans. Use maps, globes and computer to learn about the geography of Egypt.
