

English

This term we will be looking mostly at fiction and poetry texts.

Our writing units include:

- Jack and the Baked Beanstalk by Colin Stimpson
- The Queen's Hat by Steve Antony
- Tidy by Emily Gravett
- Father and I in the Woods by David McCord.

In guided reading our texts will be:

- Grimm's Fairytales
- The Lost Fairytales

Our Author of the Term is David Walliams and our class reading books are The Beast of Buckingham Palace and Gangsta Granny.

Maths

Our Maths focuses this term are:

- Fractions
- Measurements (length and height, time, mass, capacity and temperature)
- Geometry: Position and Direction
- Problem Solving

Science

In Science we will continue with our observations of our environment and how this changes through the seasons, focusing this time on spring to summer.

We will also be learning about living things, plants and habitats. We will plant some royal sunflowers from the Sandringham Estate to learn about what plants need and their structure, and also grow royal lettuce which we will eat at our tea party.

PSHE—from the PSHE Association

- Being kind and the importance of respect.
- Looking after our Mental Health.
- Learn about dangers outside and looking after and respecting our outside environment.
- My rights as a child.
- My feelings and the feelings of others.

Computing

- Algorithms
- Using Scratch to program
- E-Safety

Trips and Visitors

Trip to a castle to experience castle life.

School Jubilee Tea Party

Decades dress up theme day

Our Topic is

The Queen's Platinum Jubilee

History

In this special topic, we are going to learn about changes within living memory along with Queen Elizabeth II as a significant person. We will find out about her life and the Royal Family, and the impact she has made on our country and explore how life has changed over the 70 years that she has been on the throne. We will finish by comparing her with Queen Victoria and the impact of their reigns on Great Britain.

Art- Drawing

We will be exploring the work of L.S. Lowry, who was the official artist for the Queen's Coronation. We will look at different works and explore his use of line and perspective. We will learn to draw his famous matchstick people and then draw our own urban landscape of Shrewsbury. In Arts Week we will be focusing on Nigeria as a Commonwealth country.

PE

- Miss Ryan's PE Lessons
 - Athletics
- Swimming

RE

- *Who is Muslim and how do they live?*

This is the second half of our Islam unit. We will be learning about the Qu'ran and its importance to Muslims with the story of the Night of Power. We will find out about the ways that Muslims worship and the difference that it makes to their lives. We will also learn about Salat as another of the five pillars of Islam & build on our understanding of Shahadah as the first pillar.

- *What do Christians believe God is like*

In this unit, we will be focusing on the parable of The Lost Son. Through this, we will explore the Christian belief that God is loving and forgiving like a parent. We will also find out about the importance of forgiveness in our lives and different types of prayer.

MFL— Madame Hernandez

This term we will be learning about our school and food. We will listen actively to spoken language and show understanding by joining in and responding.

Music—Mrs Kessel-Fell

In music we will be learning about composing our own music and about musical structure.

We will:

- Play tuned and untuned instruments musically .
- Experiment with, create, select and combine sounds using the inter-related dimensions of music.

Design Technology

Food

We will be testing and then designing our own coleslaw fit for the Queen, so that we can then serve it at our school Jubilee Garden Party.
