

# Art at Bomere Heath

At Bomere Heath C of E Primary School, we are proud of our Art curriculum and we give all children the opportunity to flourish in this foundation subject. We understand the importance of high-quality art education. We engage, inspire and challenge our pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design.

Our principle aims – from the National Curriculum in England - for art are to:

- produce creative work, exploring their ideas and recording their experiences
- become proficient in drawing, painting, sculpture and other art, craft and design techniques
- evaluate and analyse creative works using the language of art, craft and design
- know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms

Our art curriculum begins with EYFS, where art is embedded through continuous provision as well as taught lessons where pupils use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. As the children progress through the school, the art curriculum includes a wide range of experiences, which are provided using a whole range of materials including observational drawing, colour mixing, painting, collage, model making, sewing and printing. We ensure all our children are able to access the art curriculum and children with specific needs are supported through advice from their PCP's. Skills are taught and developed and the children are encouraged to discuss and listen to others, sharing ideas and modifying them in the light of experience, as well as enjoying, evaluating and appreciating their own and other's efforts. We have ensured that pupils learn about a wide range of British and international artists through our planning, which also allows us to teach the children about a wealth of different cultures. As part of our residential trip to Liverpool for the year 4 children, we explore cathedrals, a synagogue and an art gallery, where the children get to experience art in so many forms first hand, covering so many areas of the curriculum including developing the whole child. Even whilst walking around Liverpool they are immersed in the city culture and can see the varied graffiti and street art all around them. Art plays such an important role in our school and is shared across the entire school. An example of this was a year 6 child shared a sketch he had completed in class, and straight away, the children encouraged him to share with the entire school in worship. Confirming it is our way of school life, in sharing our learning and inspiring others. Previous years we have had the pleasure of welcoming an African choir to school, where the children experienced a whole range of performing arts. Our Christian values are also embedded across our art curriculum, with children persevering while learning new skills, being respectful of other art work and hopefully developing a love and positive attitude towards creative learning.

## Art planning overview including artists

| <u>Wrekin</u>       | Textiles - Bridget Riley      | Printing - Kahlo     | Drawing - Frank Lloyd Wright           |

Within each term, there also needs to be the inclusion of the following two elements within the art unit being taught:

- **Exploring and developing ideas**
- **Work of other artists**

However, the **context is up to each class teacher.**

The overview is the same for each class, so that whichever class a child is in, whether they are in the same class for 2 years or not, they have the coverage of all 6 skills within a 2 year cycle.

Each class teacher uses the Art Progression document to check what the children in their class should be able to achieve within the skill they are teaching that term, for example, drawing.

Following the overview ensures a range of Art, Craft and Design across the 2 year cycle for each child.

Each skill can be moved within the year if needed to fit in with topics in order to make the art cross curricular, but not moved to the next cycle. The context is up to each class teacher. Within each lesson, all teachers ensure a clear objective is given and all children succeed and make progress no matter on their

ability. Lessons offer challenge and differentiated where applicable. The inclusion of SEND pupils is paramount and lessons are carefully planned to cater for all diverse needs of our pupils. We provide a positive learning environment to catch the imagination and creative skills of all of our children. We believe that continuity across each year group is key to ensure all our children progress and develop on previous taught skills, which is why the children take their sketchbooks onto the next class and continue their art knowledge and learning.

At Bomere Heath, we also have a whole week focusing on ART, as a school we decide on a focus and each class takes on a different aspect. The children cover a variety of skills and use a range of different art techniques. Previous themes include: Our Christian Values, Heroes/NHS, art throughout the decades and in 2022 we linked our arts week to the Queens Platinum Jubilee, where by each class chose a different country of the commonwealth which gave curriculum links to Geography and History, giving children chance to deeper their understanding of these areas and also develop their cultural understanding. At Bomere we thrive ourselves in learning and sharing as a whole school, which really shows during arts week, the linked theme across the school, allows our children to make connections across the curriculum and across key stages. Classes cover all areas of art including performing arts. For example: one class made traditional Indian masks, which were then worn to perform a Gomira dance and musical piece. Another class exploring Nigeria, were researching recipes and a child in the class commented 'I eat those at home!'

### **The intended impact (also found in NC for Art)**

We aims to ensure that all our pupils:

- produce creative work, exploring their ideas and recording their experiences
- become proficient in drawing, painting, sculpture and other art, craft and design techniques
- evaluate and analyse creative works using the language of art, craft and design
- know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms

**Development matters**

Explore, use and refine a variety of artistic effects to express their ideas and feelings. (EAD)

Children have the opportunity to learn from the works of famous artists, studying their techniques and processes. They will be exposed to a range of different artists through history throughout KS1.

**KS1 Art and Design National Curriculum**

To understand the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

Children can:

- a describe the work of famous, notable artists and designers;
- b express an opinion on the work of famous, notable artists;
- c use inspiration from famous, notable artists to create their own work and compare;
- d use key vocabulary to demonstrate knowledge and understanding in this strand: Andy Goldsworthy, LS Lowry, Paul Klee, Monet, Joan Miró, Jackson Pollock, Robert Delaunay, Wassily Kandinsky, Piet Mondrian, van Gogh, Marc Quinn, Michelle Reader, Barbara Hepworth, Jill Townsley, Brendan Jamison, Eva Rothschild.

Children continue to study the works of famous artists. They have more opportunity to offer opinion and to compare and contrast artists. Children will be exposed to a range of different artists through history, studying their techniques and processes.

**KS2 Art and Design National Curriculum**

To learn about great artists, architects and designers in history.

Children can:

- a use inspiration from famous artists to replicate a piece of work;
- b reflect upon their work inspired by a famous notable artist and the development of their art skills;
- c express an opinion on the work of famous, notable artists and refer to techniques and effect;
- d use key vocabulary to demonstrate knowledge and understanding in this strand: Anselm Kiefer, Salvador Dalí, Paula Rego, Gainsborough, Sonia Boyce, Lucian Freud, Howard Hodgkin, Anish Kapoor, Caravaggio, Le Corbusier, Coco Chanel, Jackson Pollock, John Constable, Thomas Cole, Claude Monet, Henri Matisse, Paul Cézanne, Julian Opie, Henry Moore, Giacometti, Vivienne Westwood, Louise Bourgeois, Jennifer Angus, Braque, Claesz, Kalf, Carl Warner, Michael Brennard-Wood.

Children continue to learn from the works of famous artists. They now expand their knowledge by looking at the range of more famous artists. Children comment on the work of famous artists and name their pieces of work.

**KS2 Art and Design National Curriculum**

To learn about great artists, architects and designers in history.

Children can:

- a give detailed observations about notable artists', artisans' and designers' work;
- b offer facts about notable artists', artisans' and designers' lives;
- c use key vocabulary to demonstrate knowledge and understanding in this strand: Henri Rousseau, India Flint, Alexander Calder, David Oliveira, David Hockney, Man Ray, Fernand Léger, Alfred Wallis, Hokusai, Frida Kahlo, Joaquín Torres-García, Leonora Carrington, Diego Rivera, Beatriz Milhazes, Carlos Páez Vilaró, John Singer Sargent, Ansel Adams, Helen Frankenthaler, Frank Lloyd Wright, Jean-Michel Basquiat, Mary Cassatt.
