Trips and Visitors : The animal man will show us a variety of animals to help with our classifications.

RE

Who is Jewish and how do they live?

Why do Christians put a cross in an Easter Garden ?

Our Topic Is..

Who lives here?

History/Geography

We will be learning about the 4 countries of the UK and their capital cities.

We look talk about what history is and look at how houses and homes have changed in living memory. If anyone has old artifacts that might be useful please let me know.

Don't Forget :

PE is every Thursday and children wear P.E kits to school.

Forest school Wednesday. The children can come dressed ready for forest school with waterproofs and wellies in a bag to put on after lunch. No school uniform is needed .

Maths we will be following the NCTEM mastery approach.

Addition and subtraction reception numbers to 10 year 1 numbers to 20

Multiplication and division

Fractions halves and quarters.

Place value , what does the 1 represent in 17?

Money

Music –

Music with Mrs Kessel –Fell . During our lessons we sing, compose music to learn about musical structure and play un-tuned instruments.

Science

Seasonal Changes Observe changes across the 4 seasons. We will continue to watch our forest school change and make observations.

Ourselves and parts of our body we will use the correct names to name parts of our body.

We will look at the classification of different animals. and why they fit into each classification.

Design Technology

Sliders and levers.

After we have investigated sliders and levers we hope you enjoy your Easter card.

Art—

This term our focus will be on painting. We will mix colours and look at the colour wheel. Use a paintbrush to create different effects and use our knowledge to paint houses in the style of Hunter-wasser. Would you like to live in a house like this?

PSHE

Healthy lifestyles—keeping clean, staying safe

Healthy relationships—getting on with others.
