

English

We will be adopting a mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Books: Queen of the falls,

Stories for Rebel Girls,

Lost happy endings,

Hansel and Gretel

Maths

We follow a mastery approach to learning, that allows the children to work at a slower pace to underpin a deeper understanding of maths. They will develop deep reasoning and problem solving skills. We also focus heavily on times tables and related division facts from x2, x3, x4, x5, x6, x8, x10, 11. This term we are focusing on the following subject areas;

- Place Value
- Addition and Subtraction
- Multiplication and Division
- Area and Perimeter

Science—

Using the Exploring Science Units, the children will be covering units titled:

The Digestive System

Electricity

Computing— E Safety, - Online Relationships

Creating Media audio production

Anglo-Saxons and Scots

The Vikings

History/Geography—This term we will be looking at the History of the Anglo-Saxons, the Scots and the Vikings. We will be learning about who they were and how they lived. We will also be developing our geography skills and looking at maps to locate the Anglo-Saxon kingdoms and where the Vikings invaded from. Plus our fantastic trip to Tatton Park.

PSHE

Mental Health and Health and wellbeing—lifestyles, food, media impact, growing and changing, achievements and goals .

Also covering topical issues as they occur

Art—Textiles

We will be learning about the artist Anni Albers. We will also be looking at the Bayeux Tapestry and how we can use skills of weaving and sewing to create our own art.

PE— Thursday—Miss Ryan from the Corbet school will be delivering team games

Tuesday—Fitness, gymnastics and dance

RE—What is the worldwide church?

Why is light an important sign at Christmas?

MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

Music

The music service will continue to deliver these lessons, linking to our main topic. The children will also have percussion and singing.

Design Technology - Mechanisms

The children will be designing, making and evaluating their own rotary system using cams. The theme for this will be Christmas!
