

## English

We continue our mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Books: Wisp

Odd and the Frost Giants

When the giant stirred

Volcanoes

**Computing**— E Safety, online reputation and Data logging,

# The Romans

**PE**— Thursday—Team games /gymnastics

Friday—Swimming or team games

**RE**— What kind of world did Jesus want?

Is life like a journey?

## MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

## Maths

We follow a mastery approach to learning, that allows the children to work at a slower pace to underpin a deeper understanding of maths. They will develop deep reasoning and problem solving skills. We also focus heavily on times tables and related division facts. This term we are focusing on the following subject areas;

- Fractions, Decimals, percentages
- Perimeter, measures
- Statistics

**History/Geography**— The children will start this topic looking at the geography aspects linked to the Romans, answering questions: Where is Rome? What is Rome like today?

In the subject of History, the children will be exploring the questions: Who were the Romans? Why did they invade the Britain? Why did the Romans build new roads and towns? Who was Boudicca? What was life like ?

Also an exciting trip to Chester.

## Music

The music service will continue to deliver these lessons, linking to The Romans. The children will also have percussion and singing. The year 4 will continue playing the P-Buzz and the year 5 playing the Cornets.

## Science—

Using the Exploring Science Units, the children will be covering units titled:

Year 4— Sound and Classification

Year 5— Electricity and heart and lungs

## PSHE

Mental Health and Health and well-being—lifestyles, food, media impact, growing and changing, achievements and goals .

Also covering topical issues as they occur

## Art—

We will be learning about the artist Andy Warhol and developing skills in the technique of printing

## Design Technology - Cooking

The children will be creating foods linked to Rome.

Year 4—Healthy and varied diet – Panini

Year 5—Celebrating culture and seasonality - Pizza
