

## English

We continue our mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Books: The great paper caper

Amazing rivers

The merchant of Venice

Shakespeare stories

## Maths

We follow a mastery approach to learning, that allows the children to work at a slower pace to underpin a deeper understanding of maths. They will develop deep reasoning and problem solving skills. We also focus heavily on times tables and related division facts. This term we are focusing on the following subject areas;

- Year 3 - Fractions, money, time, shape and statistics
- Year 4—Decimals, money, time, shape, statistics and position and direction.

## Science—

Using the Exploring Science Units, the children will be covering units titled:

Year 3— Light and Plants

Year 4— respecting our environment, states of matter

**Computing—** E Safety, Programming B – Events and actions in programs.

# Italy

## History/Geography—

This term we are looking at Italy as a country. We will be looking at the physical and human geography of the area. We will be using a range of maps to develop the children's map reading skills including topographical and digi-maps.

We will be looking at Italian culture and hopefully learning some key words in Italian.

## PSHE

Mental Health and Health and well-being—lifestyles, food, media impact, growing and changing, achievements and goals .

Also covering topical issues as they occur

## Art—

We will be learning about the artist Da Vinci and developing skills in the technique of drawing.

## PE— Thursday and Friday

Athletics, Tennis, rounders, cricket

**RE—** When Jesus left, what was the Impact of Pentecost?

How do festivals and family life show what matters to Jews?

## MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

## Music

The music service will continue to deliver these lessons, linking to The Romans. The children will also have percussion and singing. The year 4 will continue playing the P-Buzz and the year 5 playing the Cornets.

## Design Technology - Complex structures
