

Think together and talk

- How does being part of your school community make you feel?
- Have you ever helped someone in your school community who was facing a difficult time?
- Have you ever felt something wasn't right or fair in school? What was it? What did you do?

Dear God,

Thank you for our school community,
 Thank you that we are all different,
 Help us to work together, to pay attention and to play our part so everyone feels happy, safe and that they belong.

Amen
