

English

We continue our mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Books:

Gorilla

World full of animal stories

Leon and the place between

The train to impossible places

Maths

We follow a mastery approach to learning, that allows the children to work at a slower pace to underpin a deeper understanding of maths. They will develop deep reasoning and problem solving skills. We also focus heavily on times tables and related division facts. This term we are focusing on the following subject areas;

- Place value, Addition and subtraction, multiplication and division, fractions

Science—

Using the Exploring Science Units, the children will be covering units titled:

Year 4— Digestion and Electricity

Year 5— Life cycles, Space

Computing— E Safety, self image and identify, computing systems and networks, the internet

The Ancient Greeks

History—The children will study the Ancient Greeks answering questions linked to our golden threads: lifestyle and living, chronology and calendar, impact on the world and significant individuals.

Geography—The children will read maps and make comparisons of Greece now and then. They will answer questions related to location and diversity from our golden threads.

PSHE

Mental Health and Health and well-being—lifestyles, food, media impact, growing and changing, achievements and goals .

Also covering topical issues as they occur

Art—

We will be learning about the artist Giacometti and developing skills in the technique of sculpture

PE— Tuesday and Thursday

Netball, Hockey, Health and Fitness, dance

RE— What is the Trinity?

What does it mean to be a Hindu in Britain today?

MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

Music

The music service will continue to deliver these lessons, linking to The Romans. The children will also have percussion and singing. The year 4 will play the P-Buzz and the year 5 the Cornets.

Design Technology - Textiles

Plan, design and evaluate a sewing project developing sewing stitches.
