

English

We continue our mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Books:

- Stone Age boy, Iron Man
- The Flower, Claude in the Sky

Poetry—The River's Tale

Computing— E Safety, Programming (Sequencing Sounds) and Online Reputation.

Geography—We will look at mountains and coasts around the world. Making comparisons and looking at how they have changed overtime. The children will also develop map skills, locating the mountains and coasts onto blank maps. All aspects will link to our Geography Golden threads. (more details can be found in the knowledge organisers)

PE— Tuesday and Friday (Monday Swimming)
Gymnastics, swimming,, dance

RE— What is it like to follow God?

Why do Christians call the day Jesus died Good Friday?

MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

Maths

We follow a mastery approach to learning, that allows the children to work at a slower pace to underpin a deeper understanding of maths. They will develop deep reasoning and problem solving skills. We also focus heavily on times tables and related division facts. This term we are focusing on the following subject areas;

- Multiplication and division, fractions, decimals, mass and capacity, length and perimeter

Music

The music service will continue to deliver these lessons. The children will also have percussion and singing. Year 4 will play the P-Buzz .

Science—

Using the Exploring Science Units, the children will be covering units titled:

- Sound
- Classification

PSHE

Mental Health and Health and well-being, families, community, feelings, growing and changing.

Also covering topical issues as they occur

Art—

We will be learning about the artist Hokusai and developing skills in the technique of painting.

Design Technology - Electrical Systems

Plan, design and evaluate a product using an electrical system.
