

## English

We continue our mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Books:

Escape from Pompeii

Rise Up

Blue John

Ariki and the Island of Wonders

**Computing**— E Safety, Repetition in shape using Logo, Managing online information

**Geography**—We will look at mountains and coasts around the world. Making comparisons and looking at how they have changed overtime. The children will also develop map skills, locating the mountains and coasts onto blank maps. All aspects will link to our Geography Golden threads. (more details can be found in the knowledge organisers)

**PE**— Tuesday and Thursday (Monday Swimming)  
Gymnastics, swimming, netball, dance

**RE**— What is it like to follow God?

Why do Christians call the day Jesus died Good Friday?

## MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

## Music

The music service will continue to deliver these lessons. The children will also have percussion and singing. The year 4 will play the P-Buzz and the year 5 the Cornets.

## Maths

We follow a mastery approach to learning, that allows the children to work at a slower pace to underpin a deeper understanding of maths. They will develop deep reasoning and problem solving skills. We also focus heavily on times tables and related division facts. This term we are focusing on the following subject areas;

- Fractions, decimals, percentages, length, area and perimeter

## Science—

Using the Exploring Science Units, the children will be covering units titled:

Year 4— sound and classification

Year 5— Mixture and reactions and Forces

## PSHE

Mental Health and Health and well-being—lifestyles, food, media impact, growing and changing, achievements and goals .

Also covering topical issues as they occur

## Art—

We will be learning about the artist Hokusai and developing skills in the technique of painting.

## Design Technology - Textiles

Plan, design and evaluate a product using an electrical system.
