

English—We continue our mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Writing—Manfish

Sky Chasers

Reading—Sonnet at the close of Spring

Great Adventurers

Maths

Position and Direction

Statistics

Shape

Themed Maths – White Rose Futures

Themed Maths – White Rose Tours

Science

Materials—properties/changes of materials

Human Development

Computing

Online Bullying

Video Editing

Trips and Visitors

Y6 Crucial Crew

Transition Days

Wrekin Class Summer 2025

Our Topic Is...Hot and Cold

History/Geography

All aspects of our Geography unit are based around our Golden Threads of place, diversity and relationships. We will look at Mexico and Italy and make comparisons about their climate and weather. We will map climate zones and look at the world's biomes. We will look at the economic activities linked to these places.

Design Technology

Mechanical Systems, Levers and Linkages

Art

Collage and a study of David Hockney

PE

Rounders, Athletics

Cricket and Flag Football

RE

Christianity—What kind of King is Jesus? (Kingdom of God)

How does faith help when life gets hard?

MFL

French Ma maison Dans ma sac A l'école

Music

Taught by Mrs Kessel-Fell

PSHE How can drugs common to everyday life affect health? What jobs would we like? How do friendships change as we grow?
