

Bomere and the XI Towns Federation Knowledge Organiser—Geography

Topic: Stone Age to Iron Age Settlements

Class/Year Groups: Key Stage Two

Term:

What you already know.

- The names and location of our 4 key countries
- About a range of maps, plans and aerial views.
- About human and physical features of an environment
- About what a settlement is and some factors in why people settle in places.

What you will learn

Location

- England:
 - Stone age sites in the key counties
 - ⇒ Cumbria
 - Castlerigg
 - Copt Howe Rock (Askham)
 - ⇒ Merseyside
 - Sefton
 - Formby
 - Lunt Meadows
 - Greasby
 - Irby
 - ⇒ Shropshire
 - Burrow Hill Fort Loop
 - ⇒ Greater London
 - Vauxhall Timbers
 - Stonehenge
 - ⇒ Skara Brae
 - Is there evidence of settlement in Shropshire?

Relationships

- What impact has settlement had on the locality?
- Why did people settle/build monuments here?

Key Vocabulary:

Country	A land controlled by a single government.
Region	Part of a country that has certain characteristics from others.
Culture	The ideas, customs and social behaviour of a particular people or society.
Capital	A city or town where the government usually meets.
Human Geography	Features of land that have been impacted by human activity
Physical Geography	Natural features of land
Population	The people that live in a place
Settlements	Where people live, i.e. villages, towns and cities

National Curriculum Objectives:

- name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features and land-use patterns; and understand how some of these aspects have changed over time
