

English

We continue our mastery approach to teaching English that embeds the fundamental skills for each year group including spelling, grammar and punctuation. The children will be focusing on their independent editing skills and producing longer pieces of writing across several genres.

Books: Where the forest meets the sea

African Tales

Julius Caesar

Myth hunters travel's guide

Computing— E Safety, Online bullying, Repetition in games

Where in the World?

PE— Tuesday and Thursday

Athletics, Tennis, rounders, cricket

RE— When Jesus left, what was the Impact of Pentecost?

Why is the Torah so important to Jewish people?

MFL French

Listen actively to spoken language and show understanding by joining in and responding.

Explore patterns and sounds through songs and games.

Maths

We follow a mastery approach to learning, that allows the children to work at a slower pace to underpin a deeper understanding of maths. They will develop deep reasoning and problem solving skills. We also focus heavily on times tables and related division facts. This term we are focusing on the following subject areas;

- Money, time, decimals, negative numbers, converting measures, position and direction and shape

Geography— We will locate the world's countries, capital cities on maps and identify key physical and human characteristics. We will name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics. We will identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones.

Music

The music service will continue to deliver these lessons, linking to The Romans. The children will also have percussion and singing. The year 4 will continue playing the P-Buzz and the year 5 playing the P-Bones

Science—

Using the Exploring Science Units, the children will be covering units titled:

Year 4— Plants and Light

Year 5— Mixtures and reactions. Human development

PSHE

Mental Health and Health and well-being—lifestyles, food, media impact, growing and changing, achievements and goals .

Also covering topical issues as they occur

Art—

We will be learning about the Turner and developing skills in the technique of drawing.

Design Technology - Complex structures

Plan, design and evaluate a complex structure
